

**Dear Nurse,**

Kaleidoscope Camp is a ministry of Williamsburg Christian Retreat Center. Our mission is to demonstrate God's love to young people by inviting them to enter into a relationship with Jesus Christ, helping them develop a solid foundation in God's Word, and challenging them to be salt and light in a world that is full of darkness.

**Weeklong overnight camps, June 24-Aug 2 for children ages 7-16.** It is our goal to provide a safe, fun, Christ-centered experience where children can experience community and learn about God.

**Be camp nurse for a week or more!** We are a fairly small camp with between forty five to six five campers per week.

**We provide meals and lodging for the nurse and their family while they're at camp!** The Camp Nurse (and family) stay in a very nice Travel Trailer in the RV Campground. The trailer has a queen bed at one end and four bunk beds at the other end. In the main room there is a small stove, sink, microwave, refrigerator and freezer along with a small dinette and sofa. Both the dinette and the sofa can be made into additional beds as needed. There is a small bathroom and additional showers are nearby in the bathhouse.

**Typical weeks go from Sunday at 3pm till Thursday at 8pm!** Our week starts with a staff meeting at 3pm Sunday and ends after the campers leave on Thursday evening following a Closing Program at 7pm. The responsibilities would include administering medicine and caring for minor injuries that happen at camp. A more detailed job description can be found on our website.

**Camp Nurse is a volunteer position however; we do have some great benefits.** We will provide lodging that you and your family can stay in during the camp session. All meals during the week will be included for you and your family. We will also offer a free week of camp to a child of your choosing; your own child or a child from your church community.

If there is a particular age group that you would like to work with please let me know as soon as possible. I am including an application as well as reference forms that need to be filled out and sent back. Please also include with your application a copy of your nursing certification.

If you know of other nurses who would be interested in volunteering as a Camp Nurse please let me know or have them contact me.

Thank you,

Jennifer Hill
