

How to Apply

Please take some time to look through the summer camp positions and descriptions found on the application page of the website <http://www.wcrc.info/jobs.php>

Take some time to read through the information before applying so that you are aware of the job responsibilities.

Spend some time praying about where God would have you work this summer. Pray for discernment.

There are two different ways to get an application.

Contact Jenn Hill by phone 757-566-2256 or email programs@wcr.info. We would be happy to mail you an application. Or, you can download an application at <http://www.wcrc.info/jobs.php> Just print it off, fill it out and send it in.

Once you have completed the application, simply mail it to the address below and hand out your reference forms. Please have your references send the completed form to the address below.

Program Director
Kaleidoscope Camp
9275 Barnes Road
Toano, VA 23168

Once we receive your application and references you will be called to set up an interview. The interview is a discerning process. Together we will discern if camp is the place that the Lord would like to use you this summer. A number of factors will play into this process including camper enrollment as well as your summer availability and qualifications.
