- Boys must wear shirts at all times except in water related activities, such as the swimming pool and waterslide. Underwear should be worn, not seen. Sleeveless shirts are not permitted.
- Campers are strongly discouraged from wearing skin tight pants which are inappropriate for the active nature of camp life
- Swimsuits should be modest one piece or tankini style (covering the full midriff).
- Shorts should be suitable for recreation and not overly tight or short. Shorts should be no shorter than the finger tips when the arms are hung loosely at the sides of the body.
- Shirts should be suitable for recreation and not revealing (please do not bring overly baggy or tight shirts, spaghetti strap tops, tank tops or mid-riff revealing shirts).
- Clothing should not have words or images that are offensive or contrary to the Christian principles of the camp.
